TIC Assisted Search and Rescue Skill Sheet

Candidate: _____ Date: _____

TIC ASSISTED SEARCH AND RESCUE

Evaluator Instructions: The candidate shall be provided with the following personal protective equipment (PPE): boots, pants, coat, hood, gloves, and helmet. The candidate shall also select one search tool and utilize a thermal imaging camera during the TIC assisted search

Task: The candidate shall begin in station wear, don appropriate PPE (including turnout gear and SCBA), and complete a primary search of a designated area. A second search shall be completed with the assistance of a Thermal Imaging Camera. The maze trailer may be used as a prop to search in during the search without a TIC.

Performance Outcome: The candidate shall complete two searches, one with a TIC and the other without.

No.	Task Steps	First Test		Retest	
		P	F	P	F
