MEMORANDUM OF UNDERSTANDING TURNOUT GEAR

This memorandum of understanding is written to clarify that employees working for Buxton Fire-Rescue are allowed to wear personally owned PPE or PPE from another department as long as the PPE is up to date, in serviceable condition, meets NFPA requirements and has their Department Chief's permission. The gear shall be inspected prior to using the PPE while working for Buxton Fire-Rescue.

This memorandum of understanding may also be used as an agreement allowing Buxton Fire-Rescue employees to use their (Buxton Fire-Rescue) issued PPE while working for another department.

This memorandum of understanding is between Buxton Fire-Rescue and _____ Fire Department.

It is understood that a department allows an employee to utilize _____ Fire Department's PPE while working in Buxton, any damage to the gear will be repaired or the gear replaced, as determined by the Chief of Department of the community that owns the PPE, with costs being completely bourn by Buxton Fire-Rescue.

If a member of Buxton Fire-Rescue is utilizing PPE while working for _____ Fire Department, it is understood that that any damage to the gear will be repaired or the gear replaced, as determined by the Buxton Fire-Rescue Chief, with costs being completely bourn by the _____ Fire Department.
