Original Policy Adopted by Executive Order E.O. 131410023 on 10-16-2013

I. Introduction

The Board of Selectmen hereby adopts the following Policy as a guideline in the administration of the personnel activities of its employees. This Policy shall supersede any policies or rules with respect to Town personnel made previously by the Board of Selectmen. If a collective bargaining agreement is in place, it shall supersede this policy; however, collective bargaining unit employees are subject to any portions of the Town policy that are not specifically addressed in the collective bargaining agreement. This Policy provides basic information about the Town's policies, programs and benefits. Employees should read the Policy to learn about their responsibilities as an employee and the programs developed by the Town for their benefit.

The policies, programs and benefits set forth in the Policy are not terms and conditions of employment, nor should they be construed as an employment contract. The best interests of the Town and its employees necessitate that there be flexibility in administration and the Town reserves the right to revise or rescind any provision in the Policy it deems appropriate, at its discretion. The Town will try to keep the Policy current but there may be times when policies or programs will change before this material can be revised.

Employees are employed on an "at-will" basis, and their continued employment with the Town is based on mutual consent. Employees have the right to end their employment relationship at any time for any reason. Similarly, their employment can be terminated at the sole discretion of the Town for any reason, at any time.

The Town of Buxton shall provide equal opportunity to all employees without regard to religion, age, sex, race, color, ancestry or national origin, physical or mental disability, marital status, sexual orientation, genetic information or veteran status.

We hope that your employment with the Town will be a rewarding and satisfactory experience.

II. Employee Classes

Town employees are placed in the following “classifications:”

- Full-Time Employees – Employees who are regularly scheduled to work thirty-two (32) or more hours a week on a year-round basis. These employees are eligible for benefits set out in the Policy subject to the terms and conditions of each benefit program.
- Part-Time Employees – Employees who are regularly scheduled to work more than fifteen (15) and less than thirty-two (32) hours a week on a year-round basis. These employees may be eligible, on a prorated basis, for the benefits set out in this Policy, subject to the terms and conditions of each benefit program.
- Temporary/Seasonal Employees – Employees who are not regularly scheduled to work on a year-round basis, who work less than fifteen (15) hours per week, and/or who are hired to fill short term vacancies or to perform a specific, limited job or duty. These employees are not eligible for benefits.
- Introductory Employees – All employees are considered “Introductory Employees” for the first six (6) months of employment, unless otherwise set forth in the terms of hire. Public Works employees are considered “Introductory Employees” for a minimum of six (6) months. The introductory period shall be considered an extension of the selection process and employees will have no right during that period to file grievances regarding termination.
- Per Diems – Per Diems working for the Fire/Rescue Department are scheduled as needed/when available, are subject to the laws as defined for emergency personnel (e.g. compensation and hours worked) and are not eligible for benefits. Per Diems are required to comply with any portions of the Personnel Policy that are not overridden by state or federal law.
- Paid On Call - Paid on Call working for the Fire/Rescue are not eligible for benefits. Paid on Call are required to comply with any portions of the Personnel Policy that are not overridden by state or federal law.
- Exempt Employee – An employee who is not eligible for overtime compensation. Actual hours worked are based on business needs and may regularly exceed 40 hours in a work week. However, insurance and benefits are based on the Town’s standard work week.
- Non Exempt Employee – An employee who is eligible for overtime compensation after 40 hours worked in a work week; except Fire-Rescue is eligible after 53 hours worked in a work week.

III. Employee Discipline

Cooperation of all employees is essential to efficiency. Our taxpayers are entitled to the best service we can give them. Cooperation, courtesy and responsibility are the key elements of good service.

Employees are prohibited from engaging in any conduct which could reflect unfavorably upon the Town or disrupt the efficient operation of the administration of the Town. While it is not possible to list all the forms of behavior that are unacceptable in the workplace, employees will be disciplined for any behavior that is unsafe, detracts from an employee's ability to work or is not in the Town's best interests.

The Town will generally provide a verbal warning for the first infraction, a formal written warning for the second infraction, a suspension for the third infraction and termination from employment on the fourth infraction.

Discipline will generally be progressive; however, the Town retains sole discretion to deviate from progressive discipline based on the nature and circumstances of an employee's misconduct. Some types of misconduct may warrant significant discipline up to and including termination from employment. Examples of such misconduct include, but are not limited to, the following:

1. Dishonesty, theft, unauthorized possession or use of property or money of the Town, co-workers, citizens or anyone else, regardless of value;
2. Responsible for damage or destruction of property belonging to the Town;
3. Excessive absenteeism and/or tardiness; leaving work early without authorization; each employee is responsible for submitting a time sheet for each pay period;
4. Falsification or misrepresentation of any information including employment applications, time sheets, leave requests, medical documents or Town records or documents;
5. Seeking or accepting gifts and/or gratuities for the performance of duties and responsibilities except as noted in Article 24.
6. Possession, use, sale, distribution or being under the influence of alcohol, illegal drugs or any substance that affects the employee's behavior or ability to perform his/her job responsibilities;
7. Engaging in any type of harassment, including sexual harassment;
8. An employee is arrested or charged by law enforcement authorities for drug or alcohol offense or violation of criminal law; such activity must be reported to the appropriate department head within 24 hours.
9. Insubordination, including refusal to comply with a directive from a supervisor;
10. Violation of workplace safety rules or failure to report unsafe conditions or an accident.
11. Unauthorized possession of a weapon or explosives on Town property;
12. Disclosing confidential information about the Town, its employees or citizens.
13. Engaging in any act of violence, fighting or disorderly conduct or using threatening, abusive, offensive or profane language with a supervisor, co-worker or citizen;
14. Any other conduct which Town management, in its sole discretion, deems to have a negative impact on the reputation, safety or business interests of the Town.

IV. Confidentiality

Many Town employees have access to confidential information pertaining to persons or property in the Town. All employees of the Town are required to maintain strict confidentiality in all work-related matters. Confidential records, correspondence or other pertinent materials shall not be removed from the Town offices without written permission from the supervisor, including taking work home from the office. Breaching confidentiality may result in discipline up to, and including, termination from employment.

The term “confidential information” is defined as data, whether printed, written or oral, concerning business, employee or private information, disclosed or obtained by employees of the Town, including but not limited to: financial and billing records, employee records and health and personal information that, if released, could cause the Town, its employees and its citizens harm or embarrassment.

Employees should contact their supervisor when presented with a request for information pursuant to M.R.S.A. § 401-410 (“The Freedom of Access Act”). The supervisor will then contact the Public Access Officer.

V. Personnel File

Personnel files and records, including medical information, are maintained for each employee and are the property of the Town. Confidentiality will be maintained in accordance with applicable legal requirements. With reasonable advance notice, an employee may view the materials in his/her file.

Changes in personal information should be reported to the Secretary to the Selectmen as soon as possible. Examples of changes include, but are not limited to, name address, family or marital status, telephone numbers, insurance beneficiary, new dependents and emergency contacts.

VI. Work Day, Week, Overtime and Comp Time

- Work Week and Paychecks - The regular workweek for payroll purposes is from Sunday to Saturday. The actual hours are set by the Board of Selectmen. Except for holidays or unforeseen circumstances (e.g. computer is down), payroll checks are available by noon on Thursday each week. Direct deposit may be available earlier; check with your banking institution. Employees are encouraged to utilize direct deposit. Any concerns with paychecks should be referred as soon as possible to their Department Head.
- Time Records - Employees are required to record all their work hours on a time sheet in accordance with the procedures for the department in which they work. Employees are to record on their time sheets (along with daily work logs, if applicable) the date, start time, stop time and activity for the day. Time sheets are to be maintained on a daily basis and submitted to the Department Head by noon on Monday. The Department Head will submit the time sheets (or a payroll summary) to the Treasurer or designee for processing. Any alterations to time sheets or time cards must be approved and initialed by the employee's Department Head or a Selectman. Altering or falsifying time sheets/cards or records will result in disciplinary action up to, and including, termination from employment.
- Overtime - Employees who qualify for overtime under federal law will be paid at time and one half for hours worked over forty (40) in a work week unless the employee and Department Head or Board of Selectmen (when applicable) agree prior to overtime hours being worked that compensatory time may be granted on a time and one-half basis. Non-exempt employees may only work more than forty hours in a work week with prior approval of the employee's department head. Only hours actually worked count toward overtime (e.g., vacation, sick time and holidays do not count).
- Comp Time - Compensatory time off with pay in lieu of overtime pay may not exceed 20 hours during any fiscal year (July 1 to June 30) and will be scheduled by the Department Head or Board of Selectmen (when applicable) in a manner to avoid overtime cost to the Town. Comp time may be accrued at no more than 8 hours per week and must be used within two (2) weeks from the date the overtime was incurred. No additional comp time may be accrued until any existing comp time is used. Accrual of comp time in lieu of overtime pay will not be allowed between May 1 and June 30. Existing comp time will be used by May 15.
- Compensation for Full Time Fire-Rescue Employees
 1. The rate of payment for full time fire-rescue employees will be set by the Board of Selectmen.

2. All full-time fire-rescue employees will receive a fixed weekly salary, regardless of fluctuations in the number of hours physically worked week to week. However, for hours actually worked by the employee in excess of the number of hours that they are scheduled to work in a given week, up to fifty-three hours (the number of hours required for overtime), the employee will be compensated at a premium rate set by the Board of Selectmen.
 3. Fire-Rescue employees will be paid on a weekly basis.
 4. The “work period” to be used for determining overtime eligibility will be seven days.
 5. All Fire-Rescue employees must accurately record and report all hours actually worked.
 6. No full-time fire-rescue employee may work hours beyond his or her normally scheduled shift without explicit authorization from the Chief of the Fire-Rescue Department.
 7. The Town will provide overtime compensation for full time fire-rescue employees for hours worked in excess of fifty-three hours in a given work week, consistent with state and federal law. *See* 26 M.R.S.A. § 621-A; 29 U.S.C. § 207(k). Overtime compensation will be provided for hours worked in excess of fifty-three in a given work week at a rate of 1.5 times the employee’s hourly rate. Their hourly rate will be calculated by adding their fixed weekly salary and any additional compensation received at a premium rate as described in paragraph (2) above and dividing that total by fifty-three.
 8. Additional compensation and overtime are only available to full time fire-rescue employees for hours physically worked. Time taken as sick time or vacation time does not count towards hours accumulated for additional compensation or overtime.
 9. Full time fire-rescue employees may not use prior earned compensatory time to accrue additional compensation or overtime.
- Compensation for Per-Diem and Paid-On-Call Fire-Rescue Employees.
 1. The rate of payment for per-diem and paid-on-call Fire-Rescue employees will be set by the Board of Selectmen.
 2. Fire-Rescue employees will be paid on a weekly basis.
 3. The “work period” to be used for determining overtime eligibility will be seven days.

4. The Town will provide overtime compensation for per-diem and paid-on-call Fire-Rescue employees for hours worked in excess of fifty-three hours in a given work week consistent with state and federal law, *See* 26 M.R.S.A. § 621-A; 29 U.S.C. § 207(k). Overtime compensation will be provided for hours worked in excess of fifty-three in a given work period at a rate of 1.5 times the employees hourly rate.
5. Per-diem and paid-on-call Fire-Rescue employees may not work in excess of 53-hours without explicit authorization from the Fire-Rescue Chief.
6. Overtime is only available to per-diem and paid-on-call Fire-Rescue employees for hours actually worked during a work period.
7. All Fire-Rescue employees must accurately record and report all hours actually worked.

VII. Wages and Longevity

As a general practice, any pay increases for employees are established for the following fiscal year by the Board of Selectmen during the budget process and voted on at the Annual Town Meeting. Pay increases are not automatic or guaranteed.

At the present time, employees receive a 1% longevity increase when they reach their three year, five year and ten year employment anniversaries. This practice may be changed by the Board of Selectmen at its sole discretion.

VIII. Attendance

- A. Employees shall be at their respective places of work at the appointed starting time. It is the responsibility of employees who may be absent from work to personally notify their immediate supervisor at least one-half hour prior to the employee's appointed starting time any absence and the reason for such absence.
- B. Unless otherwise specified by a Department Head, employees shall be expected to call in on each day of employee's absence except in circumstances when the employee knows in advance that he/she is going to be out for a specific amount of time. When the nature of the absence indicates an extended period of time away from work, longer intervals of reporting may be established by the Department Head.
- C. All employees are required to utilize their full one half hour lunch break. Employees are not to return back to work until the full half hour has been utilized.
- D. Failure to comply with any of these attendance requirements may result in discipline up to and including termination from employment.

IX. Inclement Weather/Emergency Policy

The decision whether to close Town services due to inclement weather or another emergency will be made by a designated Selectman after consulting with the Public Works Director or Police Chief. The Board of Selectmen shall select the member responsible for this duty. If the Board fails to designate a member or if the designated member is unavailable, three members of the Board will need to agree.

The designated Selectman will notify the affected Town Department Heads (normally the Business Office, Code Enforcement and Transfer Station), prior to 7:00 a.m. in the event of a closure. The Department Heads will then call the individual employees. The Selectman will also have at least two radio and television stations notified. Employees not notified by 7:30 a.m. shall assume that there has been no closure.

The choice to travel in inclement weather shall be an individual's decision. Employees who feel that it is too hazardous to travel or if work has been canceled, may elect to use earned vacation, sick time or compensation time or may take the time off without compensation. If the Selectmen choose to close Town Hall and the Transfer Station before 7 a.m., employees will be paid for their regular working hours, if they are scheduled to work. If Town Hall is open and a decision has been made for an early closure, those employees at work will get paid for the remainder of their regular hours. (Approved by Executive Order 171803015 Effective March 15, 2018)

Public Safety Employees are required to work regardless of weather (normally the Public Works, Police and Fire-Rescue Departments) do not receive additional time off or pay for a closure.

X. Holidays

A. Holidays

New Year's Day, Martin Luther King Day, Presidents Day, Patriots Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, the day after Thanksgiving, and Christmas Day

If a regular holiday falls on a Sunday, the following Monday is the Town holiday; if a regular holiday falls on a Saturday, the preceding Friday is the Town holiday, unless otherwise provided by law. Transfer Station employees observe a Sunday/Monday weekend; therefore, any holiday falling on Sunday or Monday will be taken on Tuesday.

B. Eligibility

Full time and Part time employees are eligible for holiday pay which will be prorated based on hours worked. Under no circumstances will holiday pay be more than 8 hours.

C. Work on holidays

Full-Time Employees who are required to work on a Town holiday shall receive their regular pay plus applicable holiday pay. Emergency personnel who are on duty on a Town holiday shall receive time and one-half for hours worked up to 8 hours plus their holiday pay. Any additional hours will be paid at their regular rate of pay.

Per Diems for Fire/Rescue will be paid time and one half for hours worked on Thanksgiving, Christmas and New Year's Day.

Section X, Subsection C amended 03/16/2016

XI. Vacation

A. Vacation days are accrued by Full-Time Employees as follows:

- After a Full-time employee has completed one year of continuous service, he/she shall be entitled to 2 weeks of vacation leave. One of those weeks may be taken after six months of continuous service. The employee shall be entitled to three weeks after five years and four weeks after ten years.
- "Years of Service" are calculated from the anniversary of the Employee's full time date of hire.
- Part-Time Employees are eligible for vacation on a pro-rata basis.

- B. Requests for vacations must be submitted in writing to the Department Head seven (7) days prior to the first day of the employee's requested vacation unless it is an emergency and the employee has the written approval of a Selectman. To ensure adequate staffing and to avoid scheduling conflicts, the Board of Selectmen reserves the right to designate when vacations may be taken. Due consideration will be given to an employee's seniority in regard to scheduling vacations.
- C. Employees must take the vacation due them within that year after the vacation time is earned. Employees will not be permitted to carry over vacation time from one year to the next. Vacation time not taken in that year will be lost.
- D. Employees may receive vacation pay prior to the start of their vacation, but must advise the Town Treasurer in writing, at least ten (10) days in advance.
- E. No employee will be allowed to take accrued vacation time in the form of pay in lieu of time off.
- F. At termination of employment, any vacation time accrued during the current year of service will be paid to the employee.

XII. Leaves of Absence

A. Sick Leave

Sick leave may only be used by Full-Time and Part-Time Employees for personal illness that renders the employee unable to perform the essential duties of his/her position, to attend medical or dental appointments that could not be scheduled after work hours, or to care for an immediate family member. The Town may request a doctor's certification and may, at its own expense, request an independent medical evaluation.

Sick leave will be accrued at the rate of 7/12 of a workday for each calendar month of service to a maximum of 240 hours. Full-Time and Part-Time Employees shall be eligible for sick leave after 30 days of service. The employee must work 13 days in a month to earn sick leave for that month.

Sick leave usage shall be recorded regularly by the Town Treasurer. The Town shall review all sick leave records periodically and shall investigate any cases, which indicate abuse of the privilege. Abuse of sick leave will result in discipline up to, and including, termination from employment. Sick leave shall under no circumstances be bought back except as provided for in the next paragraph.

Sick leave must be used by itself and not in conjunction with other benefit programs that provide pay for an employee's absence from work. For example, where an employee is being paid by a third party, (e.g., disability, Worker's Compensation), the employee shall not be eligible for sick leave in addition to the other benefit and must repay the Town for the sick leave pay provided. Upon repayment, the employee's sick leave will be re-credited.

For service rendered to the Town of Buxton, an employee shall be paid one of the following retirement stipends when the employee retires and is eligible and receives retirement benefits:

1. After ten (10) years for the Town, an employee can cash in up to thirty-three and a third (33.33%) of accrued sick leave.
2. After fifteen (15) years for the Town, an employee can cash in up to fifty (50%) percent of accrued sick leave.

- B. Family and Medical Leave** - Family and medical leave without pay shall be granted in accordance with applicable federal and/or state law. Please see the Selectmen's secretary for details of the Family and Medical Leave policy.

- C. Bereavement Leave - An employee may be excused from work for up to 3 days with pay because of a death in the immediate family for the purpose of handling necessary arrangements and attendance at the funeral. The term “immediate family” shall mean, for the purpose of this Article only, the employee’s spouse, parent, child, siblings, mother-in-law, father-in-law, grandparents and grandchildren. Any exception to “immediate family” terminology must be approved by a selectman prior to the day of the funeral for that employee to be paid under this policy. One work day with pay may be granted at the sole discretion of the Board of Selectmen for attendance at funerals of persons not covered under the above definition.
- D. Military Leave - Military leave will be granted in accordance with applicable federal and state laws. The supervisor shall immediately provide a copy of the Orders to the secretary of the Board of Selectmen. Employees are expected to notify their supervisor and provide a copy of their orders as soon as the employee is aware of their need for leave.
- E. Jury Duty - The Town will comply with state and federal law regarding the taking of leave to serve on jury duty. In addition, the Town will pay the employee the difference between employee’s regular pay and the pay the employee receives for performing jury duty, provided the employee presents the official statement of jury pay received and notice of jury duty to the Board of Selectmen as soon as the employee receives such documentation, and that the employee is in court during normal business hours and returns to his/her position if the employee is excused from court during any part of the work day.
- F. Leave of Absence Without Pay - Full-Time Employees may be granted a leave of absence without pay and benefits at the discretion of the Board of Selectmen for a period not in excess of 60 calendar days. No benefits, including vacation, holiday and sick leave, may accrue during the leave period. The decision to grant such leave is in the sole discretion of the Board of Selectmen. Employees may choose to continue benefit coverage during the leave of absence period provided the employee assumes the Town’s contributions to such benefits.

Employees must give a fourteen (14) day notice in writing when requesting a leave of absence without pay. If there is an emergency, a Selectman can temporarily approve such leave.

Employees are expected to return to work after a leave of absence without pay on the day the leave expires, or to have written permission from the Board of Selectmen to extend such leave. Any extension of leave not approved by the Board of Selectmen shall be considered termination of employment.

A leave of absence without pay will not be granted until all other accumulated time (such as vacation, sick, comp) has been exhausted.

XIII. Insurance and Deferred Compensation Plan

The Town offers health insurance (including eye exams), dental insurance, life insurance, as well as long and short term disability insurance to Full-Time Employees and pays a portion of the premiums for these various forms of insurance. There is a Section 125 Plan which permits employees to pay their portion of health insurance on a pre-tax basis. The Town also offers a 457(b) Deferred Compensation Plan to Full-Time Employees.

Please see the Selectmen's Assistant for a copy of the benefit descriptions, which contain plan highlights and general information. The Town reserves the right to amend, modify or reduce the benefit provided, or terminate any of its plans at any time. Any amendment, modification, reduction or termination may be made without prior notice to participants, except as required by law.

XIV. Employee Concerns

This procedure is intended to provide employees with an opportunity to be heard if they have a concern about how a Personnel Policy has been applied to them, but it is not to be construed as placing any limits on employees' "at will" employment status.

A. Informal - Should an employee be concerned with the application by the Town of any provisions of the Town's personnel rules, regulations or policies, the employee should meet with his/her Supervisor or Department Head to attempt to informally resolve his/her concern.

B. Board of Selectmen

1. If the employee is not satisfied with the response of the appropriate Supervisor or Department Head, or if there is no Supervisor or Department Head, the Employee may present the concern in writing to the Board of Selectmen within five (5) days after the employee received the response from the Supervisor or Department head or from when the incident giving rise to the concern took place.
2. The Board of Selectmen will meet with the employee, and Department Head if available, at a mutually agreed upon date and time to discuss the concern. Within fourteen (14) calendar days thereafter, the Board of Selectmen shall render its written decision which will be final and binding.

XV. Harrassment

- A. General Policy - It is the policy of the Town that all employees be able to work in an environment free from all forms of harassment. Every employee is entitled to work from harassment on the basis of race, color, religion, sex, age, ancestry or national origin, physical or mental disability, sexual orientation, genetic information or veteran status.
- B. Sexual Harassment - Sexual harassment is unlawful and against Town policy. Sexual harassment occurs when submission to, or rejection of, unwanted sexual conduct is used as the basis for employment decisions, or when unwelcome sexual conduct creates an intimidating, offensive or hostile working environment.

Examples of sexual harassment include:

- Unwelcome sexual advances
 - Suggestive or lewd remarks
 - Unwanted hugs, touches, kisses
 - Requests for sexual favors
 - Display in the workplace of sexually suggestive objects or pictures, including nude photographs.
- C. If an employee believes he/she has been the subject of any type of harassment because of the actions of a Department Head, supervisor, another employee or a non-employee, the employee should immediately report the incident to the Chair of the Board of Selectmen. If the complaint is against one or more of the Selectmen, it should be reported to any member of the Board of Selectmen.

All complaints will be investigated promptly by the Board of Selectmen or its designee. Any employee, supervisor or Department Head who is found to have engaged in harassment of another employee will be subject to appropriate disciplinary action up to, and including, termination from employment.

Retaliation against any employee for filing a complaint or participating in an investigation is prohibited.

In addition, employees should be aware that the Maine Human Rights Commission is the state agency charged with the responsibility of enforcing Maine's anti-discrimination laws. The Maine Human Rights Commission can be contacted at the following address and number:

Maine Human Rights Commission
State House Station 51
Augusta, Maine 04333
(207) 624-6290

XVI. Drug-Free Workplace

The Town of Buxton recognizes that alcoholism and drug dependency are treatable diseases. The Town believes strongly that all employees should be able to work in an environment free from alcohol and drug abuse. Accordingly, the Town expects all employees to report for work and to perform their duties in a manner which does not jeopardize the health, safety and well-being of co-workers or the public.

No employee shall possess, use, sell, distribute or be under the influence of alcohol, illegal drugs or any substance that affects the employee's behavior or ability to perform his/her job responsibilities. This prohibition includes during work hours and during any period of time an employee is engaged in Town business on or off Town property.

Any employee who suspects that he/she may have an alcohol or drug dependency problem is strongly encouraged to contact his/her supervisor to seek voluntary diagnosis or treatment. The employee will be provided confidential referral services to an outside agency upon request and assisted in determining the extent to which insurance coverage may be available to help pay for such services.

Any employee who is arrested or charged by law enforcement authorities for drug or alcohol offense or violation of criminal law must report such activity to the appropriate department head within 24 hours.

Employees may possess and take prescription drugs as prescribed for them by a medical practitioner. Employees are expected to inform their supervisor if they are taking any medication (over-the-counter) or prescription which may cause the employee to be a danger to themselves or others in performing their job duties, or which may otherwise interfere with the performance of their job duties.

As provided in the Drug-Free Workplace Act of 1988, an employee is required to notify the employer of a criminal or civil conviction for a drug violation occurring in the workplace no later than five calendar days after such conviction. In turn, the employer, within 10 calendar days of learning of such a conviction, is to give written notification to any federal agency from which the Town receives grant funds. Failure to notify the Town of a criminal or civil drug violation will result in termination from employment.

Violations of this policy shall constitute sufficient grounds for discipline up to, and including, termination of employment. Any referrals for treatment under this policy will not preclude disciplinary action.

Drug Testing for Public Works Employees

In accordance with federal law, Public Works employees with a Class A or Class B license are required to participate in a mandatory drug testing program. Information on this program is provided to covered employees.

XVII. Workplace Safety and Accident Reporting

Each Employee is required to observe safety rules and procedures, and to exercise caution at work. Employees who violate safety rules and procedures, cause dangerous situations, or fail to report unsafe conditions will be subject to disciplinary action, up to and including termination. Employees must immediately report to their Department Head any accident or injury that takes place while at work, no matter how minor the accident or injury may appear to be at the time. **The Department Head must report any accident or injury within 24 hours to the Secretary to the Selectmen or other party responsible for documentation and reporting to Workmen's Comp. If the accident or injury occurs outside of normal business hours, it must be reported on the next regularly scheduled business day. A fatality must be reported immediately to a member of the Board of Selectmen.**

XVIII. Return to Work Program for Injured Employees

The Town of Buxton has a Return to Work Program, which is based on providing quality medical care to facilitate the earliest possible return of injured workers to the workplace.

Transitional work plans will be a collaborative effort between the Town and its occupational rehabilitation provider.

The goal of the Town of Buxton's Return to Work Program is to reduce lost time due to injuries while affording employees an opportunity to continue to make a meaningful workplace contribution to the best of their abilities.

XIX. Use of Town Vehicles

Employees authorized to drive Town vehicles will be provided the rules for use (which includes no personal use of such vehicles unless approved by the Board of Selectmen) by the appropriate Department Head

XX. Computer and Internet Use

The Town's computers and network system are provided for purposes related to business operations and performance of employees' job responsibilities. Incidental personal use of Town computers is permitted as long as such use: 1) does not interfere with the job responsibilities and performance of the employee and/or co-workers; 2) does not interfere with system operations; and 3) does not violate this policy and/or any laws. "Incidental personal use" is defined as use by an individual employee for occasional personal communications.

Some examples of inappropriate uses of computers include, but are not limited to, the following:

- Transmitting or receiving sexually explicit comments or images;
- Transmitting or receiving materials or images that may offend or harass someone based on their race, color, sex, religion, national origin or ancestry, age, veterans status, marital status, sexual orientation, genetic information, or physical or mental disability;
- Any use of computers prohibited by state or federal laws, including but not limited to, on-line gaming of any kind;
